

# DAPK3 Antibody

|                            |                                                                                                                                                                                                             |
|----------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product Code</b>        | CSB-PA006501GA01HU                                                                                                                                                                                          |
| <b>Storage</b>             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                                                                                                                                               |
| <b>Uniprot No.</b>         | O43293                                                                                                                                                                                                      |
| <b>Immunogen</b>           | Human DAPK3                                                                                                                                                                                                 |
| <b>Raised In</b>           | Rabbit                                                                                                                                                                                                      |
| <b>Species Reactivity</b>  | Human                                                                                                                                                                                                       |
| <b>Tested Applications</b> | ELISA, WB                                                                                                                                                                                                   |
| <b>Storage Buffer</b>      | PBS with 0.02% Sodium Azide, 50% Glycerol, pH 7.3. -20°C, Avoid freeze / thaw cycles.                                                                                                                       |
| <b>Purification Method</b> | Antigen Affinity purified                                                                                                                                                                                   |
| <b>Isotype</b>             | IgG                                                                                                                                                                                                         |
| <b>Alias</b>               | death-associated protein kinase 3; DAPK3; FLJ36473; ZIP; ZIPK ;                                                                                                                                             |
| <b>Product Type</b>        | Purified Rabbit Anti Human PolyClonal Antibody                                                                                                                                                              |
| <b>Immunogen Species</b>   | Homo sapiens (Human)                                                                                                                                                                                        |
| <b>Target Names</b>        | DAPK3                                                                                                                                                                                                       |
| <b>Target Details</b>      | Death-associated protein kinase 3 (DAPK3) induces morphological changes in apoptosis when overexpressed in mammalian cells. These results suggest that DAPK3 may play a role in the induction of apoptosis. |
| <b>Usage</b>               | For Research Use Only. Not for use in diagnostic or therapeutic procedures.                                                                                                                                 |
