

# Outer capsid glycoprotein VP7 Antibody, FITC conjugated

|                            |                                                                                  |
|----------------------------|----------------------------------------------------------------------------------|
| <b>Product Code</b>        | CSB-PA318053LC01ROH                                                              |
| <b>Storage</b>             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                    |
| <b>Uniprot No.</b>         | P10501                                                                           |
| <b>Immunogen</b>           | Recombinant Rotavirus A Outer capsid glycoprotein VP7 protein (51-326AA)         |
| <b>Raised In</b>           | Rabbit                                                                           |
| <b>Species Reactivity</b>  | Rotavirus A                                                                      |
| <b>Form</b>                | Liquid                                                                           |
| <b>Conjugate</b>           | FITC                                                                             |
| <b>Storage Buffer</b>      | Preservative: 0.03% Proclin 300<br>Constituents: 50% Glycerol, 0.01M PBS, PH 7.4 |
| <b>Purification Method</b> | >95%, Protein G purified                                                         |
| <b>Isotype</b>             | IgG                                                                              |
| <b>Clonality</b>           | Polyclonal                                                                       |
| <b>Alias</b>               | Outer capsid glycoprotein VP7                                                    |
| <b>Immunogen Species</b>   | Rotavirus A                                                                      |
| <b>Research Area</b>       | Others                                                                           |
| <b>Usage</b>               | For Research Use Only. Not for use in diagnostic or therapeutic procedures.      |
