

## MC4R Antibody

| Product Code                                         | CSB-PA254627                                                                                 |
|------------------------------------------------------|----------------------------------------------------------------------------------------------|
| Storage                                              | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                                |
| Uniprot No.                                          | P32245                                                                                       |
| Immunogen                                            | Synthetic peptide of Human MC4R                                                              |
| Raised In                                            | Rabbit                                                                                       |
| Species Reactivity                                   | Human,Mouse                                                                                  |
| <b>Tested Applications</b>                           | ELISA,IHC;ELISA:1:2000-1:10000,IHC:1:50-1:200                                                |
|                                                      |                                                                                              |
| Form                                                 | Liquid                                                                                       |
| Form<br>Conjugate                                    | Liquid  Non-conjugated                                                                       |
|                                                      | •                                                                                            |
| Conjugate                                            | Non-conjugated                                                                               |
| Conjugate Storage Buffer                             | Non-conjugated -20°C, pH7.4 PBS, 0.05% NaN3, 40% Glycerol                                    |
| Conjugate Storage Buffer Purification Method         | Non-conjugated -20°C, pH7.4 PBS, 0.05% NaN3, 40% Glycerol Antigen affinity purification      |
| Conjugate Storage Buffer Purification Method Isotype | Non-conjugated -20°C, pH7.4 PBS, 0.05% NaN3, 40% Glycerol Antigen affinity purification  IgG |

**Image** 

The image on the left is immunohistochemistry of paraffin-embedded Human ovarian cancer tissue using CSB-PA254627(MC4R Antibody) at dilution 1/50, on the right is treated with synthetic peptide. (Original magnification: ×200)

The image on the left is immunohistochemistry of paraffin-embedded Human lung cancer tissue using CSB-PA254627(MC4R Antibody) at dilution 1/50, on the right is treated with synthetic peptide. (Original magnification: ×200)
