

# Defensin D2 Antibody, Biotin conjugated

|                            |                                                                                  |
|----------------------------|----------------------------------------------------------------------------------|
| <b>Product Code</b>        | CSB-PA305599LD01FKI                                                              |
| <b>Storage</b>             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                    |
| <b>Uniprot No.</b>         | P81571                                                                           |
| <b>Immunogen</b>           | Recombinant Spinacia oleracea Defensin D2 protein (1-52AA)                       |
| <b>Raised In</b>           | Rabbit                                                                           |
| <b>Species Reactivity</b>  | Spinacia oleracea                                                                |
| <b>Tested Applications</b> | ELISA                                                                            |
| <b>Form</b>                | Liquid                                                                           |
| <b>Conjugate</b>           | Biotin                                                                           |
| <b>Storage Buffer</b>      | Preservative: 0.03% Proclin 300<br>Constituents: 50% Glycerol, 0.01M PBS, PH 7.4 |
| <b>Purification Method</b> | >95%, Protein G purified                                                         |
| <b>Isotype</b>             | IgG                                                                              |
| <b>Clonality</b>           | Polyclonal                                                                       |
| <b>Alias</b>               | Defensin D2 (Antimicrobial peptide D2) (So-D2) (Fragment)                        |
| <b>Immunogen Species</b>   | Spinacia oleracea                                                                |
| <b>Research Area</b>       | Others                                                                           |
| <b>Usage</b>               | For Research Use Only. Not for use in diagnostic or therapeutic procedures.      |
