FEZ1 Antibody

cycles.Purification MethodAntigen Affinity PurifiedIsotypeIgGAliasfasciculation and elongation protein zeta 1 (zygin I);Product TypePurified Rabbit Anti human PolyClonal AntibodyImmunogen SpeciesHomo sapiens (Human)Target NamesFEZ1Target DetailsThis gene is an ortholog of the C. elegans unc-76 gene, which is necessary for normal axonal bundling and elongation within axon bundles. Expression of this		
Uniprot No.Q99689ImmunogenHuman FEZ1Raised InRabbitSpecies ReactivityHuman,Mouse,RatTested ApplicationsELISA,IHCStorage BufferPBS with 0.1% Sodium Azide, 50% Glycerol, pH 7.320°C, Avoid freeze / that cycles.Purification MethodAntigen Affinity PurifiedIsotypeIgGAliasfasciculation and elongation protein zeta 1 (zygin I);Product TypePurified Rabbit Anti human PolyClonal AntibodyImmunogen SpeciesHomo sapiens (Human)Target NamesFEZ1Target DetailsThis gene is an ortholog of the C. elegans unc-76 gene, which is necessary for normal axonal bundling and elongation within axon bundles. Expression of this gene in C. elegans unc-76 mutants can restore to the mutants partial locomotic and axonal fasciculation, suggesting that it also functions in axonal outgrowth. The N-terminal half of the gene product is highly acidic. Alternatively spliced transcript variants encoding different isoforms of this protein have been	Product Code	CSB-PA008600GA01HU
ImmunogenHuman FEZ1Raised InRabbitSpecies ReactivityHuman,Mouse,RatTested ApplicationsELISA,IHCStorage BufferPBS with 0.1% Sodium Azide, 50% Glycerol, pH 7.320°C, Avoid freeze / that cycles.Purification MethodAntigen Affinity PurifiedIsotypeIgGAliasfasciculation and elongation protein zeta 1 (zygin I);Product TypePurified Rabbit Anti human PolyClonal AntibodyImmunogen SpeciesHomo sapiens (Human)Target NamesFEZ1Target DetailsThis gene is an ortholog of the C. elegans unc-76 gene, which is necessary for normal axonal bundling and elongation within axon bundles.
