

Recombinant Human Bone morphogenetic protein 3B (GDF10)

Product Code	CSB-YP009343HU
Storage	Store at -20°C, for extended storage, conserve at -20°C or -80°C.
Uniprot No.	P55107
Product Type	Recombinant Protein
Immunogen Species	Homo sapiens (Human)
Purity	>85% (SDS-PAGE)
Sequence	QW DEPRVCSRRY LKVDFADIGW NEWIISPKSF DAYYCAGACE FPMPKIVRPS NHATIQSIVR AVGIIPGIPE PCCVDPKMNS LGVLFLDENR NVVLKVYPNM SVDTACR
Source	Yeast
Target Names	GDF10
Protein Names	Recommended name: Bone morphogenetic protein 3B Short name= BMP-3B Alternative name(s): Bone-inducing protein Short name= BIP Growth/differentiation factor 10 Short name= GDF-10
Expression Region	369-478
Notes	Repeated freezing and thawing is not recommended. Store working aliquots at 4°C for up to one week.
Tag Info	Tag type will be determined during the manufacturing process.
Protein Length	Full Length of Mature Protein
Target Details	This protein is a member of the bone morphogenetic protein (BMP) family and the TGF-beta superfamily. This group of proteins is characterized by a polybasic proteolytic processing site which is cleaved to produce a mature protein containing seven conserved cysteine residues. The members of this family are regulators of cell growth and differentiation in both embryonic and adult tissues. Studies in mice suggest that This protein plays a role in skeletal morphogenesis.
Reconstitution	We recommend that this vial be briefly centrifuged prior to opening to bring the contents to the bottom. Please reconstitute protein in deionized sterile water to a concentration of 0.1-1.0 mg/mL. We recommend to add 5-50% of glycerol (final concentration) and aliquot for long-term storage at -20°C/-80°C. Our default final concentration of glycerol is 50%. Customers could use it as reference.
Shelf Life	The shelf life is related to many factors, storage state, buffer ingredients, storage temperature and the stability of the protein itself. Generally, the shelf life of liquid form is 6 months at -20°C/-80°C. The shelf life of lyophilized form is 12 months at -20°C/-80°C.
