

# DROSHA Antibody

|                            |                                                                                               |
|----------------------------|-----------------------------------------------------------------------------------------------|
| <b>Product Code</b>        | CSB-PA019809GA01HU                                                                            |
| <b>Storage</b>             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                                 |
| <b>Uniprot No.</b>         | Q9NRR4                                                                                        |
| <b>Immunogen</b>           | Human Drosha                                                                                  |
| <b>Raised In</b>           | Rabbit                                                                                        |
| <b>Species Reactivity</b>  | Human, Mouse, Rat                                                                             |
| <b>Tested Applications</b> | ELISA, WB                                                                                     |
| <b>Storage Buffer</b>      | PBS with 0.02% Sodium Azide, 50% Glycerol, pH 7.3. -20°C, Avoid freeze / thaw cycles.         |
| <b>Purification Method</b> | Antigen Affinity purified                                                                     |
| <b>Isotype</b>             | IgG                                                                                           |
| <b>Alias</b>               | ribonuclease type III,<br>nuclear; RNASEN; DROSHA; ETOHI2; HSA242976; RANSE3L; RN3; RNASE3L ; |
| <b>Product Type</b>        | Purified Rabbit Anti Human PolyClonal Antibody                                                |
| <b>Immunogen Species</b>   | Homo sapiens (Human)                                                                          |
| <b>Target Names</b>        | DROSHA                                                                                        |
| <b>Usage</b>               | For Research Use Only. Not for use in diagnostic or therapeutic procedures.                   |
