

Recombinant Human Putative homeodomain transcription factor 1 (PHTF1)

| | |
|--------------------------|---|
| Product Code | CSB-BP017944HU |
| Abbreviation | PHTF1 |
| Storage | The shelf life is related to many factors, storage state, buffer ingredients, storage temperature and the stability of the protein itself. Generally, the shelf life of liquid form is 6 months at -20°C/-80°C. The shelf life of lyophilized form is 12 months at -20°C/-80°C. |
